Led by
Local municipalities and cultural
groups throughout Niagara

Based on the concept of the highly successful James Street Night of Art in St. Catharines, Niagara Nights of Art will expand the program into all twelve municipalities across the Region. The respective Nights will feature artists presenting their work in connection with a variety of community partners. A passport program is being developed to entice visitors to explore the richness and diversity of the many communities throughout Niagara.

We invite you to experience
everything that is happening
in Niagara in 2012:

- art • dance • heritage
- digital • music & more
